

Healthy Snack

Dear Families.

Your student may bring a **healthy** snack daily (not on early release days). We will be having our snack in the morning, since our lunch is not until after 11:00. During our snack we will be working. Please have your student bring a snack that is **“mess-free”** and that **does not need a utensil**. Snacks may NOT be shared with others. Some examples of appropriate snacks are crackers, chewy bars, apples, grapes, and cheese sticks. Please no oranges, chips, cookies, yogurt, or pudding.

Thank you for your support as we “Feed Our Minds!”
